Festival Success

Blue sunny skies and a large congenial crowd were the order of the day Wednesday, February 22, when Campbell residents and friends turned out to line the streets for the Old Settlers' Day parade and celebration. Leading the parade, which started at one o'clock, was the car containing Joe Dahl, William C. Henley and Cel Gerevas. They were followed by two carloads of "Old Settlers", and the Queen float, which bore Janis Henley, who was crowned Queen of Old Settlers' Day on the basis of having sold the most tickets for the evening dance and Variety show.

JANIS HENLEY QUEEN

With Janis on her float were Jacqueline Silberbauer, runner-up, and Barbara Musler, last year's queen, who crowned Miss Henley as the float paused before the reviewing stand in front of the grammar school. The young ladies then joined the officials and honored residents on the reviewing stand to watch the rest of the parade. They were accompanied by Forrest Reese, serving as Queen chairman in the absence of Eugene Barnes.

The Campbell high school band, resplendent in their colorful uniforms, led the main body of the parade, followed by the high school cadet corps. In the juvenile group, led by the Union school drum and bugle corps, the Campfire Girl birthday cake float, commemorating the 25th anniversary of the Campfire girls, won the first prize cup. The float was decorated by the girls under the direction of Mrs. D. W. Ribble, leader.

First prize ribbon went to Cub Pack troop No. 9, who entered a clever collection of pets and floats, including a "spotted leopard in a cage." Second prize ribbon went to the Blue Bird groups of Campbell, and the Pathfinders received honorable mention.

In the pet parade section, led by the San Tomas Drum and Bugle corps, first prize went to the Ironberg Juvenile riders, dressed in Indian garb, and riding ponies and horses. First prize ribbon went to the goat entry, second prize going to Robert Hoffman, who entered his pet hamsters under the classification of "Toy Bears" and honorable mention going to the cat in the cage entry entitled "Bring Them Back Alive."

CIVIC GROUPS

The Sunol School drum and bugle corps made a fine showing with corps of majorettes in marching formation as they led the civic groups in the parade. First prize in this group went to the Independent Order of Odd Fellows and Rebekahs who entered a float featuring World Wide Fraternity. First prize ribbon went to the Footlighter float and second prize ribbon went to the Veterans of Foreign Wars who displayed their colors and the uniforms of four wars. Honorable mention was won by the Civil Air Patrol entry.

The Memory Post Band and colors led the fifth section, with a Mule team entry by Maderis' Food store taking the first prize cup; first prize ribbon going to the Five Spot creamery entry, second prize ribbon going to J. L. Countryman's garage.

In the industrial group, the first prize cup went to the Campbell Hatchery with four large Light Brahma chickens posed on the corners of the float. First prize ribbon went to Hunt Bros. cannery who based their float on "Hunt for the Best"; second prize ribbon went to Nelson Bros. Trucking Company and honorable mention going to the huge Transit Mix entry.

Cambrian District groups were given a section all to themselves, and the first prize cup in this section was won by the Brownie Troop, who depicted the "Old Lady in the Shoe"; first prize ribbon went to the Cub Scout Troop No. 10, Girl Scout troop No. 2 winning second prize ribbon and the 4-H clubs receiving honorable mention.

Riding groups followed the float and marching groups with the first prize cup being won by the Santa Clara County Horseman's Association group. The first prize ribbon was taken home by the Senior group of the Guadalupe Red Shirts, second prize ribbon going to the Junior Santa Clara County Horseman's Association group and the Junior Guadalupe Red Shirts received honorable mention. First prize in the best riding pairs group went to Mr. and Mrs. Andrew Palmer.

CAMPBELL CABALLEROS

...."Campbell Caballeros," the County's newest horseman's association, turned out 40 strong for its initial appearnce in the Old Settlers' Day parade.

....The group is composed of local horse lovers and enthusiasts who find riding an exhilarating hobby. Much interest and favorable comment greeted their appearance along the line of march. Their horses were well matched and splendidly behaved.

Due to the lack of time since organizing, only a few riders wore the club's colors of yellow shirts and red ties.

Members expressed regret that the riding group had not been listed in the Judges' order or parade lineup, but said they felt it had been through some slipup since the group had been entered.

A meeting of the group will be held in the near future, the time and place to be announced later.

Membership is open to all local horsemen and those interested may contact the following temporary chairmen: Ray Strong, Bert Burda and Ira Grim.

First prize in the Senior Drum corps group went to Memory Post American Legion, the second prize being won by San Tomas. Union School won the first prize in the junior drum corps class, with first prize ribbon going to Sunol School with the Sunol school majorettes also taking home a prize. The Campbell high school band was awarded the first prize in the band division.

GRAND PRIZE

Grand prize was awarded to the California Prune and Apricot Association, Sunsweet Plant I, of Campbell, who entered a beautiful float covered with yellow acacia boughs followed by a troop of women clad in yellow and brown prune box costumes.

Judging the parade were Edward Fellows, Tim Sullivan and Los Gatos Police Chief Ralph Phillips. Chairman for the parade was James Brand.

Old Settlers' Day began with the registration of Old Settlers' in the Campbell high school Little Theatre with Richard Morton acting as chairman. During the program which followed, P. B. Payne who arrived in Campbell March 26, 1875 and Mrs. Charlotte Sutter, who was born here in 1864 were awarded prizes as being the oldest registered Campbell area residents. Approximately 80 old settlers enjoyed reminiscing about the 1911 flood, when the Los Gatos creek overflowed. Other memories of interest included the tree planting by Theodore Roosvelt in 1903, at the corner of Campbell and Winchester roads and interesting details of the starting of schools in this area. The collection of old photographs received special notice and many residents recognized themselves in the pictures. This was the first time that prizes were awarded to the registered person having the longest residence in th community. The group then adjourned to the cafeteria for the traditional luncheon under the direction of George Egling.

Other events of the day included the Folk Dance Festival in the High School gym where 500 dancers swung their partners and promenaded before a capacity audience. Chairman of the Folk Festival was Lloyd Brown, with the sponsors being the Circle 8 Mavericks and the Campbell Adult Education Folk Dance class. Many colorful costumes were worn by the dancers who put on four exhibition dances during the afternoon.

During the late afternoon the Campbell Junior Chamber of Commerce put on a sell-out pancake and sausage supper at the Campbell Country Woman's clubhouse. The Boy Scouts received a substantial share of the proceeds.

In the evening a capacity crowd gathered in the Campbell High School auditorium to enjoy the Variety show put on by the Campbell high school students and "The City Slicker and Our Neil." Another event of the early evening was the judging of the whiskers grown by the men of the town for the last six weeks.

WHISKERINO WINNERS

Winner of the bronze trophy in the 21 to 45 age group was Junior Wirth who won the first prize for the third year in a row. Second winner in the 21 to 45 classification went to Bob Wareham who received a Gillette razor and Richard M. Bebeau received honorable mention.

In the 21 years or younger, first prize went to Richard Feit, the only entry and in the 40 or older group, first prize was taken by Charles Wightman. Wightman remarked that he had entered whiskerino contests since 1922 and this was the first time he had won a prize. John Wallace, of Los Gatos, was disqualified by the judges on the grounds that he was not clean shaven when he entered the contest.

Contestants participating in the judging included Ray McVea, Junior Wirth, Frank Smith, Richard Feit, Bob Wareham, Charles Wightman, Dan Rice, Richard Bebeau, Al Carter, Bob Loveday, Frank Livingston, and John Wallace. Judges for the entries were Earl Cartright, Denver Miranda, Orrie Grizzle, Cy Penhall, Sterling Robertson and Alex Gellegas. Serving as chairman for the event was George Jeffers.

DANCE SUCCESS

Following the auditorium show, the crowd adjourned to the Campbell high school gym where Bob Kent and his orchestra entertained the huge crowd of dancers who gathered for an evening of fun. Festivities were under the direction of Bernard Barrett. During the dance, the serpentine waltz promisd the public collapsed at its outset when it was apparent that the principals had not had an opportunity to prepare for the exhibition.

All in all, it was a day to go down in history as one of the best "Old Settlers' Day" observances to be held in Campbell. General Chairman William C. Henley paid tribute to the town in a thank you message which he issued following the close of the 1950 celebration.

Henley stated "I wish to take this opportunity to thank the many individuals and organizations who have entered so wholeheartedly into the spirit of Old Settlers' Day. Without their support, this successful event would not have been possible. Everyone with whom I have come in contact during the planning of this annual occasion has willingly and graciously cooperated to the greatest extent possible.

"The Chamber of Commerce has done a fine job during past years in the promotion of this celebration. This year they have given me and my committees the fullest cooperation and support.

"The chairmen and their committees all did their part and performed their work to the credit of themselves and their community.

"I feel sure that with such spirit of cooperation on the part of the townspeople and merchants alike, the continued success of Old Settlers' Day is assured.

"Thanks to all of you,
/s/ William C. Henley,
General chairman,
1950 Old Settlers' Day

Henley also said he is awaiting reports of the committee chairmen, in order to determine financial results of the celebration. He issued an appeal to all committee chairmen to submit their reports to him at the earliest possible date.

PATROL GETS PRAISE

Commendation for a job well done was issued the Volunteer Legion Patrol by the Chamber of Commerce and Chairman Henley. It was the best job of handling traffic that has ever been done during this annual celebration, the chamber and Henley stated. They also thanked the patrol for obtaining services of the California Highway Patrol in keeping the traffic under control and preventing serious mishaps, and the Senior Boy Socuts who had charge of the parking lot at the school grounds.

ABOVE GROUPS—Left to right. These four horsemen from the Santa Clara County Horsemen's Association bore the Colors so proudly that they garnered a first prize cup for their entry.

Grand prize winner in the Old Settlers' Day parade was the acacia bedecked float of the California Prune and Apricot Growers' Association. The women on the float and those who marched beside it wore attractive costumes of brown and yellow crepe paper, each made by the wearer.

Campbell Footlighters give parade spectators a preview of "The City Slicker and Our Nell," thrilling melierdrammer presented during the evening show at the high school. Our Neil is the young lady in the rocking chair, and the sly looking gent is the city slicker.

Members of the Campbell adult education folk dance group danced while their float swung down the avenue of parade spectators. They rested between dances on comfortable bales of hay while many a foot-weary spectator sighed enviously.

Three uniforms, worn by United States Marines in four wars, were depicted in this float of the Veterans of Foreign Wars.

A first prize cup was awarded Campfire Girls of the O-Da-Kon-Ya group for their colorful float. The birthday cake symbolizes the 25th anniversary of the Campfire Girls in Campbell. Girls decorated the float under their leader, Mrs. D. W. Ribbie.

RIGHT HAND GROUP—The Five Spot, a commercial entry, got out the old Dodge for the festival. With radiator boiling, the whole family—and their Monday washing still out on Wednesday afternoon—headed to town for the big show.

The lovely young lady on the left is Queen Janis Henley of Old Settlers' Day with her court—Jacqueline Silberbauer, runner-up in the queen contest, and Barbara Mussler, the 1949 queen.

Leading the schools division was the colorful Campbell High School band. The group, clad in bright red and blue uniforms, was paced by an attractive group of drum majorettes.

The laborious task of selecting the winners went to the three gentlemen in the center of the judges stand. That's Parade Chairman James Brand conferring with Chief of Police Ralph Phillips of Los Gatos. Phillips' fellow judges were Ed Fellows and Tim Sullivan. An attractive baton-wielder flanks the group of judges.

Bradley Election 320-291 In Favor Of Annexation

By a close margin of 29 votes, proponents of the move to annex Bradley Manor to San Jose was approved in the Bradley Manor election yesterday. The vote was 320 to 291. The few absentee ballots to be counted are not expected to change the outcome of the election.

SUITS PENDING

However, two suits pending in the annexation matter are still to be heard, and one of these, a taxpayers' suit, could have the balloting declared invalid. In a mandamus action filed this month by Attorney John M. Burnett in Superior Court San Jose, taxpayers seek to have the election invalidated on grounds the San Jose City Council refused to give opponents of the election a public hearing. In a meeting January 31 the City Council refused to accept petitions signed by property owners representing 746 parcels of property in the Bradley Manor area, opposing the annexation move.

Hearing on this action has been set for March 8 by Superior Judge Byrl R. Salsman.

In a second suit, filed early this week, the board of trustees of the Campbell Union School District filed suit against San Jose Unified School District to test constitutionality of provisions in the law that allow Moorpark School, of the Campbell District, to be absorbed by the San Jose District without equitable financial reimbursement. No date has been set for hearing in this suit.

Duncan said it is his personal opinion that the law referred to in the suit by the Campbell School Trustees is a law which should be tested.

An interesting sidelight on post-election activities was arrival in Duncan's office at Moorpark School of a San Jose City Policeman earlier today. The policeman said he was ready to take over policing duties. When Duncan reminded him that he was a little previous since the election decision does not take effect until after a period of 30 days, the policeman withdrew stating, "We're just getting ready, and looking things over."

Mr. and Mrs. Hubert G. Bowden Are Honeymooning In Carmel

Currently honeymooning in Carmel are Mr. and Mrs. Hubert G. Bowden (Dolores Slown) following their marriage Sunday afternoon at Calvary Temple Church, where the Rev. and Mrs. O. B. Vossler officiated.

The former Miss Slown, who was given in marriage by her stepfather, Oliver Gardner, wore a white marquisette gown styled with fitted bodice, full skirt, and long train. She wore a fingertip veil and carried a bouquet of white carnations with a center of three baby orchids.

Honor Attendant

Miss Regina Royer attended the bride as matron of honor. She wore a pink net gown. Her bouquet of assorted flowers matched the flower head piece.

Best man's duties were performed by the bridegroom's brother, Hardy Bowen, and guests were seated by Paul Slown and Peter Vossler. Teddy Vossler was the candle bearer.

Vocalist Lila Faye Calloway sang "I Love You Truly" and "Because." She was accompanied by Mrs. David Rutherford, who also played the wedding music.

Reception

After the wedding ceremony, the young couple received friends and relatives at a gathering in the Country Women's clubroom, where they cut a three-tiered wedding cake. Seasonal flowers decorated the room.

For the wedding of her daughter, Mrs. Gardner selected a gray suit with black accessories, while Mrs. Clyde Bowen, mother of the bridegroom, chose a brown dress with accents of black accessories. Each wore a gardenia corsage.

Grandmothers of the new Mr. and Mrs. Bowden, accented their costumes with gardenia corsages. They were Mrs. Minerva Slown of Dos Palos, Mrs. Blanche Sells of Campbell and Mrs. Margaret Bowden of San Jose.

When the couple left on their Monterey Peninsula wedding trip, the bride wore a tailored ensemble of royal blue with brown accessories.

The new Mrs. Bowden is a graduate of Mission High School, San Francisco, and her husband attended Campbell and San Jose schools. He served in the Army for three years, and is now attending school in San Francisco.

Building Board To Meet On Plans For Legion Hall

Building committee of the Campbell American Legion Post 596 and Auxiliary will meet on Thursday night to select a subcommittee which will prepare application for eventual submission to the County Planning Commission. The committee which consists of three Legion members and two Auxiliary members, is elected each year, and has been working on plans for the permanent Legion Hall to be erected on the post's lot on Latimer Avenue, 200 feet from Winchester Road. Mrs. S. N. Hedegard is president of the building committee. The lot was donated by her husband shortly before his death.

Present zoning of the Latimer Avenue lot is for single family residential, and it is expected that the committee will request zoning for the lot which would permit erection of the meeting hall. According to a member of the Planning Commission staff, the hall probably could be erected under an R-4 (apartment house) zone, if the application were approved.

Campbell B Cagers Share SCVAL Title With Eagle Quintet

After an uphill battle, Campbell High School's lightweight basketball quintet moved into a tie for the SCVAL title with a 38-26 victory over Gilroy High Friday night on the loser's floor.

The win elevated Coach Bill Perry's charges to the top of the standings, deadlocked with Mountain View's idle Eagles. Campbell and Mountain View concluded their league schedules with an identical 7 victory and 1 loss record.

In the varsity encounter, Coach Bert Robinson's varsity cagers downed their Gilroy foes, 46-35, to ring the curtain down on their season. Hal "Buzzard" Freitas pumped home 12 markers to lead the Buc varsity to victory.

ADEQUATE WIRING

When he wires a home an electrician knows if the wiring he installs is "just enough to get by" or if it really is a complete wiring job. He prefers to install an Adequate Wiring System because he knows then that there will be no danger of overloaded circuits and that in the future there will be no need for expensive additions and changes.

A good wiring system is one of the smallest items in the total cost of a home. The cost of an adequate wiring system amounts to only 3 to 4 percent of the total building budget.

Insist on modern Adequate Wiring for your new home. Look for it in the house plans and keep it there. You will be glad you did and be money ahead in the years to come.

1 ADEQUATE ENTRANCE SERVICE
Adequate Wiring begins with three wires of large enough size brought through your house to the main entrance switch.

2 ENOUGH CIRCUITS
Adequate Wiring provides a sufficient number of branch circuits within your house to prevent overloading of any circuits.

3 PLENTY OF OUTLETS AND SWITCHES
Adequate Wiring means plenty of convenience outlets and switches to permit the use of appliances without the frequent disconnecting of one appliance in order to use another.

This is the float that spectators didn't see in the parade—the entry of J&A Food Mart. Driver Tommy Pierce was injured in a pre-parade skirmish at the lineup post on Railroad Avenue.

Fists Fly in Pre-Parade Scuffle; Facial Injuries To Driver Forced Market's Float Out Of The Lineup

Fists, words and a bull whip reportedly flew in a brawl Wednesday just before the Old Settlers' Day parade, and the affair, which set the whole town buzzing, forced one commercial entry out of the parade when its driver suffered injuries in the fight.

The trouble began when entries were being lined up on Railroad for the commercial division of the parade. George Holland, official supervisor for the lineup, had orders to allot parade location by size of the entry. Small entries were to be in front with the next largest behind and the largest at the end, in order that the judges on the reviewing stand could get a full view of each entry.

In the commercial division, among the large floats was that of Maderis' Market, a mule train in which men and women pulled the large wagon. Holland said he left a two-car size open space in front of the mule train for any smaller entries. When the 1922 Overland touring car, entry of the J&A Food Mart arrived, Holland assigned it to the open space, since it was smaller than the mule train.

In the J&A car were the driver, Tommy Pierce, 27, of 430 Hawthorne Avenue, Campbell, Joe and Al Fusaro, operators of the J&A Food Mart.

Lead man on the mule train, Vincent Vallelunga, reportedly began tampering with the ancient model car. Pierce said Vallelunga lifted up the hood, put a leg over the rear fender and scratched it, then bounced the car up and down. When Pierce reportedly asked Vallelunga, butcher at Maderis' Market, to leave the car alone, Vallelunga sat down on the rear bumper and bounced up and down. "I asked him again in a nice way to stay off," said Pierce, "but he got up, then sat down again. By that time I was fed up and I ordered him to stay off."

Pierce said the men on the mule train apparently had been drinking and "were making obscene remarks. Their attitude seemed to be that I shouldn't object to their mutilating my automobile," he remarked in a later statement to the Campbell Press.

16 STITCHES

"I turned my back to knock the ashes out of my pipe, and when I turned back, Vallelunga socked me right in the mouth, resulting in a cut that required 16 stitches. At that time William Maderis and the rest of his men also piled in swinging. It was rather nice odds in their favor, approximately five to one. Also Bill Maderis managed to get in one lick with that bull whip which he carried around."

Bystanders and the Fusaros broke up the fight, and Pierce, his lip severely damaged, went to the doctor. As a result, the 1922 Overland, which was the J&A entry, did not run in the parade. "It might have been part of a scheme to keep out a rival entry," Pierce remarked. Maderis' float won first prize in its division.

Charges are pending against the mule train and the men involved, Pierce stated.

Although Holland confirmed report that he assigned the space in front of the mule train to the Overland, Maderis, also in a statement to the Press, said "his entry was on hand first and the car had squeezed in ahead of him. While Vallelunga did strike the first blow, he admitted, "he didn't strike until he was pushed by Pierce. Vallelunga was sitting on the bumper and the fellow didn't like it," said Maderis. The butcher said he told Pierce he was welcome to sit on the mule train bumper anytime. "That's when the skirmish started," continued Maderis. "He (Pierce) started pushing everyone."

Vallelunga admitted he had opened the car hood, but "I don't think I scratched the car."

Asked if he had used his bullwhip, Maderis replied, "No, I did not. All I tried to do was to stop it. That's when the other fellows stepped in. Pierce knocked off my glasses. My boys grabbed him to keep him away from me."

Maderis denied having intended to keep a rival float out of the parade. While he agreed that the men had had a drink or two, he claimed thay had not had enough to make any difference. "As far as we're concerned, we're terribly sorry to have it happen," Maderis stated in conclusion.

As for Joe and Al Fusaro, whose float did not run in the parade because of the driver's injuries, their comment was, "We didn't have our float judged. We will submit it if the judges request it."

TOO LATE

Parade chairman James Brand revealed that no inkling of the fracas reached the judges during the parade. "I didn't hear about it until the following morning. If we had known about it before, we could have done something about it. It's too late now, but we could have had both floats disqualified if we had known about it before the awards were made. The judges decisions are final. Much as we'd like to see the thing rectified, it is too late."

Methodist Chuch Ladies Raise Funds Through Dollar Multiplying Plan

A luncheon for 60 business men and women will be sponsored by the Women's Society for Christian Service of the Campbell Methodist Church on Thursday, March 2, from 12 noon to 1 p.m. Reservations may be placed by calling Mrs. Fred Fellman, Campbell 2204, or 2337.

Purpose of the luncheon is to multiply the "Lloyd Dollar" in the same manner that disciples multiplied their dollars. Rev. William Lloyd supplied $80 silver dollars to the ladies of the church with the request that they multiply these dollars and that the original $80 plus the additional funds be applied against the cost of the new parsonage.

This luncheon is part of that multiplication process. Other events have gone before, and still others are to come. The next, after the March 2 luncheon, will be a series of breakfasts on each Friday in March, at which Mrs. Lawrence Osborne and Mrs. Frank Richardson will be co-hostesses. The breakfasts will be held in the parsonage.

At the first breakfast, Friday, March 3, Circle One of the women's group and their friends will join the hostesses at 9 a.m. On the second Friday, it will be Circle 2 at the parsonage; Circle Three on the third Friday, Circle Four on the fourth Friday, and Circle Five on the fifth Friday. In this manner, Mrs. Osborne and Mrs. Richardson will multiply their dollars for the church fund.

REDUCE PARSONAGE DEBT

The whole program to multiply the dollars and reduce the debt on the parsonage began at the WSCS meeting last September 8. Rev. Lloyd appeared before the group at that time, and was introduced by Mrs. H. E. Burke, pres-

"By some strange coincidence," he said, "last Tuesday I became the involuntary custodian of a small sack of Silver Dollars, in number just equal to my years since birth on the 6th of September, 1869.

"They looked rather benevolent, although ranging in age from 1878 to 1935, and every last one of them declared emphatically, "In God We Trust.' Whatever they may have been doing in the past, they were evidently looking to me to assist them in finding a place in some type of Christian service as soon as possible.

"After a brief period of meditation, I put in an SOS call to Mrs. Burke, president of this society, and very soon she and Dr. Burke were in our home ready to take any necessary steps to relieve the situation. Explaining the presence of the Silver Dollars, together with an account of the time and energy I have spent through the years in whittling down church debts, we were soon considering how these dollars could be multiplied sufficiently to make a real dent in the debt on our new parsonage.

"Learning that Mrs. Burke has had both knowledge of and experience in a method of which I had only heard; and moreover, that some of you ladies have at times suggested trying the same method here, it was arranged that the dollars be brought here today and passed out to interested members for investment, each dollar with accrued earnings to be returned at an Experience Party not later than next September and applied by the society as indicated.

"If, by any chance, there should be more applicants than dollars, I will gladly look around for more dollars."

Turning to his wife, he asked to exhibit the dollars which she had brought to the meeting.

"There, Mrs. Burke," he said, "are those cheerful looking dollars all clamoring to get going with your fine group of devoted and efficient church workers."

Since that meeting, at which dollars were distributed to each member, the dollars have been growing. At the request of Rev. Lloyd, the program has been speeded up for an earlier conclusion this summer.

Southern Baptist Pastor, L. W. Rowland, Arrives; Foundations Completed For New Church Building On N. First Street

The Rev. L. W. Rowland, newly elected pastor of the First Southern Baptist Church of Campbell, is now in the area and resides, with Mrs. Rowland, at 131 Harrison Street. He comes to the field from Stewart-Lenox Baptist Church of Klamath Falls, Oregon.

A new church building is being erected by the parish at 81 N. First Street, Campbell. The foundation is completed and frame work is progressing satisfactorily, the committee reports. The building, 34 by 77 feet in size, will include a large auditorium, raised choir platform, nursery, Sunday school rooms, utility rooms and baptistry. The single story stucco finish structoure will be of modern design. Ample off-street parking will be provided.

A permit has been issued the church by the Central Labor Council permitting all trades to work off hours. All labor on the church is being donated and anyone wishing to help with the work is invited to do so.

Church services are being held in Scout hall, near the school, for the present, and Rev. Rowland has invited all who are interested to attend, and he will endeavor to provide a suitable welcome.

Tourney Queen

Darlene Mink will reign as Queen of the Santa Clara Valley Athletic League wrestling tournament to be conducted at the Campbell High School gym Saturday, February 25. The winner, sponsored by Excalibur Hi-Y, triumphed over six other candidates at elections held at the local high school Friday morning. Runner-up in the contest was Wanda Spears, who represented the Future Farmers. Miss Spears and one other young lady from the visiting school will be attendants for Queen Mink.

MISS LOUETTA CLEVER of San Mateo spent Old Settlers' Day with her brother and sister-in-law, MR. and MRS. C. M. CLEVER.

Other new residents of Campbell are MR. AND MRS. R. A. FINKBEINER of 101 Giles Way.

Bridge Unfinished

No definite date has been set for the opening of the New Camden Avenue bridge, reports Robert Chandler, county road commissioner and surveyor.

Chandler remarked that the work is going on schedule and the bridge will probably open in approximately two weeks. Lew Jones Construction Company of San Jose is handling the work.

To the background music of some old-fashioned fiddling, members of the Campbell Pioneer Club smile at the crowds lining the streets. The gentlemen appear to be enjoying their part of the festivities.

"Our Schools—Workshops of Democracy" was the theme of the Campbell Grammar School float in which various school activities and purposes were ably depicted by the pupils themselves.

It's good business to do business over Long Distance ... to express exactly what you mean through the personality of your own voice.

And you'll get the most out of fast, personal Long Distance service when you remember these two tips:

First—organize your call ... plan what you'll say in advance ... keep notes while you're talking. That's how you can say as much in three minutes as in an average letter.

Second—keep a list of the out-of-town numbers you call ...for if you can tell the operator the number—your call often will be completed within 30 seconds.

Use Long Distance—so personal, so fast, so inexpensive

You can call anywhere in the country for $2.50 or less plus tax (Day station rate for first three minutes)

WE SALUTE
UNCLE SAM!

With the world's brow full of worry wrinkles and all of us praying for a workable peace, the beloved old "Uncle" who symbolizes our nation becomes the most important "relative" we can have! So let's pause, now and then, in our busy preoccupations and silently thank God for the strength of our Government. Stephen Decatur said "right or wrong, this is my country." And the spirit of his loyalty lives on today as never before. It may be that our statesmen are not always far-visioned, but their sincerity is never questioned nor their motives impugned. United we stand, the United States of America ... the Land over which Uncle Sam is continuously watchful!

POPULAR RECORDS

I have always been a sucker for yodeling, yust add a little good yodeling to any record and I am sure to like it. He Taught Me How To Yodel (Mac Gregor 1013) by Eddie Skrivvanek and his orchestra with Becky Barfield doing the yodeling has an infectious rhythm, clever lyrics and a great deal of top-notch yodeling.

I can't help how much Tex Williams new record will be worth to Lucky Strike. With Men Who Know Tobacco Best (Cap. 40276) Tex takes the title and adds the line "It's women two to one" in his delivery of this cute bit of nonsense.

A tune that appears to be headed rapidly for top notch on the hit parade is Music! Music! Music! (London 604). Song is a catchy ditty sung by Teresa Brewer with the Dixieland All Stars supplying the background. This is a swell dance record since the rhythm is steady and strongly accented.

The "Slipping Around" duo Margaret Whiting and Jimmy Wakely have teamed up on another platter the Gods Were Angry With Me and Broken Down Merry Go Round (Capitol 800). It's a smooth disking with Meg and Jimmy handling the down home lyrics in smart style. Background is supplied by an organ which is rather unusual in music in the folk vein.

CHILDREN'S MUSIC

This column has a namesake in the last chidren's record put out by Young People's Records, Inc. Round and Round Fun and Facts on the Fugue. This is the first in a new YPR series: Studies in Musical Form. It seems to me that this is not only suitable for especially musical children but for adults who wish to learn a few facts and concepts about musical forms that will enchance their listening ability and deepen their enjoyment of good music.

Cinderella (Victor Y-399) is the latest in the "Little Nipper" series of storybook albums. Taken from the sound track of the Walt Disney movie it will provide many hours of wholesome entertainment for the sand pile set. The songs Bibbidi Bobbidi Boo and A Dream Is A Wish Your Heart Makes are very familiar since they have been on the Hit Parade for several weeks.

CLASSICAL RECORDS

I was quite disappointed in Beethoven: "Waldstien Sonata" (Columbia ML- 2078), played by Claudio Arrau. Technically the recording is quite good but musically I think it falls short of the mark.

A bargain for LP fans is the Jan Peerce Recital (Varsity 6020). Eight of Jan Peerce's early recordings on one ten inch LP record and a cost of about half as much as other LP records. This and other LP records on the Varsity Label are suprisingly good but of course cannot compare with the best of the LPs put out by Columbia, Capitol, London and others. If your record player is not capable of full range high fidelity reproduction the difference will not be so noticable.

For sound-musical sound-such as you have never heard before on a recording; for satisfyingly realistic music; for true and individual tone color of the various instruments, the new long playing Petrouchka (London FFRR) is absolutely tops. This is even better than Emperor Concerto on London FFRRq that I told you about a few weeks ago, although you may not like the music quite as well, the sound is superior. Ernest Ansermet conducts the L'Orchestra De La Suisse Romande in a sympathetic and sensitive performance. The Petrouchka is brilliant music, full of ingenious rhythms, little scraps of melodies, pungent chords and discords. Petrouchka is dramatic music, full of color, deliberately glittering but lacking in emotional appeal. Stravinsky and his contemporaries strove for realism in their music and deliberately refused to appeal to the emotions. If you have seen the ballet, you will enjoy this recording still more. The Petrouchka really needs to be both seen and heard to be completely enjoyed.

She suffered broken ribs, a knee injury and possible broken nose. She was taken to Emergency Aid Station, San Jose, for treatment. Volunteer Legion Patrol Captain Jack Chappell took charge until Highway Patrolmen arrived.

California Highway Patrolmen F. K. DeVries and Ted Johansson investigated the crash in which one car, a convertible coupe, ran headon into a tree near the intersection.

Drivers of the two cars were William Carter, 230 California Avenue, Campbell, and Russell Earl Saviello, Route 2, Box 359, Campbell. The injured woman was the sister of Saviello.

Open Letter to
Editor Campbell Press.

Dear Sir: Campbell Union High School P.T.A. wishes publicly to express sincere gratitude to Mr. J. L. Benson for the gift of the large replica of the P.T.A. emblem and Life Membership insignia, which was used during the October membership drive, as part of the window display he so graciously arranged for the Parent-Teacher groups in the community. This unsolicited contribution to our efforts is deeply appreciated.

The emblem will have its permanent home at the high school, where it wil be on call for the units in this area to use on special occasions.

It was displayed in Mountain View at the Founders' Day meeting of the Sixth District P.T.A. where it was admired by the State President, Mrs. G. W. Luhr of Oakland. We were very proud to have this opportunity, thanks to the kindness of Mr. Benson, and wish to take this means of expressing our appreciation.

Mrs. G. D. Robertson,
President.

Santa Clara County Mobile X-Ray Unit To Visit Campbell

Santa Clara County's Tuberculosis Association's mobile X-ray unit will be in Campbell on Tuesday, February 28, from 10 a.m. to 4 in the afternoon.

Troops Sign Up Delegates For Big Scout Jamboree

The selection of Kenneth Bomberg as Scoutmaster of the Santa Clara County Boy Scout Council National Jamboree Troop, and LaVern Fine as Assistant Scoutmaster, has been announced by Fred C. Hilton, chairman of the Council Jamboree committee. A third leader will be selected if sufficient scouts sign for the trip to make a full troop. Both of these men have had years of experience in Scouting and at the present time are active Scoutmasters in the Council. Mr. Bomberg is the Leader of Troop 62, Gilroy, and LaVern Fine is in charge of Troop 16 in San Jose.

The National Jamboree will be held at historic Valley Forge from June 30 to July 6 with 40,000 Boy Scouts, Explorers and their leaders in attendance. Upon arrival at the campsite, each Troop will set up its own camp where they will live as a unit for the week. All meals will be prepared by the boys in their own camping area from supplies furnished by the National Jamboree committee. Standard menus have been prepared to facilitate the issuance of supplies, with each unit conducting a pre-Jamboree camp in their own community to receive instructions in preparation of meals and camp organization.

A special train will carry the Troops from the Bay Area Councils to the Jamboree, leaving San Francisco June 25, and returning July 17. Stopovers for sightseeing trips will be made at Grand Canyon, Chicago, Washington, D. C., New York City, Rochester, Niagara Falls, Detroit, St. Paul, Glacier National Park and Seattle.

The following troops have already indicated they would have one or more delegates to the Jamboree: Troops 1, 13, 16, 25 from San Jose; Troop 62 from Gilroy; Troop 30 and 34 from Campbell, and Troop 2 from Los Gatos.

Chairman Hilton stated there was still room for scouts to register for the Jamboree but announced that the deadline for signing would be March 1. After that date, the quota assigned to t eacoocLh lCunil —mn the Local Council will be assigned to any Council on the basis of first come, first served. For this reason, it is most important that Units forward their $10.00 registration fee for each boy not later than February 25.

A new name for the San Jose area Girl Scout council was announced Friday. Hereafter it will be Santa Clara Valley Girl Scouts, Inc., instead of San Jose Girl Scouts, Inc.

This move, said Scout Commissioner Mrs. Roy Chittick, is in accordance with national policy of the organization which advocates names descriptive of the area served by the council. In this case the communities include Saratoga, Cupertino, Campbell, Los Gatos, Almaden, Santa Clara and San Jose.

Campbell D Stands Even if School Annexed

Moorpark School, a focal point in the Bradley Manor annexation election controversy, was built in 1947-48, and was first occupied in April 1948. Two additions were made in 1949.

The school serves the northern end of the Campbell Union School District. Approximate limits of the Moorpark School district are: Williams Road, Eisenhower Drive and Willow Street on the south, to San Jose and Santa Clara city limits on the north.

Of the present enrollment of 681 pupils, 194 are in the proposed annexation area, and 486 outside the proposed annexation area.

The school represents an investment of $344,000. The total is comprised of $81,500 in state grant, and $262,500 in district bonds. The entire Campbell area is obligated to pay on these bonds for the next 18 years, even if the school is absorbed by the San Jose Unified School district.
